President's Report

Another excellent season for Bayside CC with some outstanding performances on field by both teams and individuals, and another solid season off field which leaves us with a strong financial base to build upon.

We have been able to achieve this improvement over the last 5 seasons through a strong and consistent committee, excellent coaching staff, strong captains on field and great development and progress by our young playing group.

I would like to pay a strong thank you to my fellow committee members this year – Bridget Roser, Paul Lamb, Greg Sampson, Max Ciappara, Richie Hunter, Nigel Barrie, Mark Barrie, Luke Smith, James Vakis, Josh Sugden and Piet Bywater. An amazing group of volunteers, and Bayside CC would not have achieved the growth and recent successes without their effort, skill and determination.

To the Senior Coaches, Darren Moser and Greg Vakis, well done on another outstanding season with 4 teams in finals and 2 premierships. What you have achieved in your tenure is outstanding and I look forward to more seasons of your profound impact on the playing group.

To the first eleven captain, Harrison Bean, thank you for your continued excellent efforts as the first eleven captain and leader of the playing group in general. You set the standard for all to follow and the first eleven performed exceptionally well in our first season back in Division 2. I can't wait to see what your team can achieve next season.

President's Report Continued

A big congratulations to our 2 premierships sides the second and third eleven. Both had convincing grand final victories and great seasons overall. Well done to all involved and especially well done to the two captains – Ryan Smith and Ryan Smith!

Well done to all our outstanding individual performers this year. We had league leading performers across all divisions including Richie Hunter (Div 2 Bowling), Harsh Mehta (Div 6 Bowling) and Jonny Roser (Sunday Div 2 Bowling). Also well done to all our team best and fairest winners including Josh Sugden with the Hanlon-Burcher medal for the 1st eleven.

It is great to see so much young talent through our whole playing list and if we can maintain this base and continue to build, I am sure there is more individual and team success to follow in the next few years.

We will continue to look to improve the facilities and equipment at our home grounds for our playing group and aim to offer the best playing experience for cricketers in the bayside area.

Go Stingrays!

1st XI Captain's Report

Coming off a division 3 flag, the first eleven were looking to consolidate a spot in division 2 and build on a successful 2023/24 season. The inclusion of premier cricketer Josh Sugden, and the return of English imports Dylan Woolley and Will Means significantly bolstered the lineup, allowing us to qualify for finals.

The team started the season with a tied match, followed by a win, then a loss to eventual premiers Brighton District. Sitting at 1-1-1, the boys rallied to win six of the following seven games and lock in a finals birth well before the end of the season.

Multiple centuries from Dylan Woolley, another from James Vakis, and consistent runs from Harrison Bean & Josh Sugden ensured we were posting competitive scores each week. Equally, significant wickets from Richie Hunter, Josh, and Lachlan O'Hara ensured we were often the better team on the day.

Unfortunately, a semi final washout prevented the team from making back-to-back grand finals, but the boys are hungry for more success next season.

Thankyou Harrison for another great season as captain. Congratulations to Richie Hunter for winning the CSB Division 2 Bowling Aggregate Award, and congratulations to Namal Senavirathne (cap number 73), Noah Green (74), Jonathan Yarwood (75), Ryan Bondesan (76), Mitchell Smith (77), and Alexander Bond (78) for all making their first XI debuts this season.

2nd XI Report

After three seasons of semi final exits, the 2nd XI was looking to go one better in 2024/25. Handy inclusions of Mitch, Bondo, and Will ensured the team continued to develop our young players as they prepare for first XI cricket in the future. And of course, the addition of Seamus in the second half of the season, coupled with our import Jonny Yarwood made for the best bowling attack in the division.

Ethan, Mitch, Dmac, and Kane each scored centuries throughout the season, and Jonny, Jonny, Ryan and Seamus each took a significant number of wickets. The all-round team efforts ensured we were posting competitive scores each week and keeping our opposition at a minimum.

For the first time in eight seasons, and in our fifth shot at finals, the team finally won a semi final. In the most convincing way imaginable. After posting a defensible score of 134, it was up to the bowlers to get us through to a grand final. Less than 12 overs later, Jonny Yarwood and Seamus had each taken 5 wickets as Carnegie were rolled for 18.

A week later in the grand final against an undefeated Cheltenham side, our batsmen posted a modest 191, followed again by our bowling attack steaming through the minor premiers for 99.

Everyone should be proud of the teams' accomplishments after a few tough seasons. We'll look to impress in division 4 next season!

BAYSIDE

3rd XI Report

After last year's flag, the 3rd XI were promoted into division 6 for this season. We knew it would be a tough battle moving up a division and coming up against some great One-Day opponents, but the team showed class all year to finish atop of the ladder.

Highlights included the numerous half centuries from most of our batting core, wicket-keeper Labib's hatrick against McKinnon, and who could forget Harsh's match winning 7/9 against Chelsea.

The team hit a minor rough patch late in 2024, winning only 2 of 6 games. But responded amazingly winning 11 of our last 12. We qualified for finals for the second year running, and for the second year in a row we won a close semi final followed by a Grand Final demolition.

Despite many of our premiership players from last season rotating XIs as a reward for their development and progression, our team this season backed up last years result well. The Grand Final at Dane Road provided a great atmosphere for all players and supporters and was a great day to be part of. It is becoming a bit cliché, but Bamma wound back the clock yet again to score an excellent 27 to close out our innings, plus taking a match winning 4/13. Every player did their job, and we got to go back-to-back!

Looking forward to next season where we'll be going for the thee-peat!

BAYSIDE

4th XI Captain's Report

Despite missing finals, this was the strongest performing Bayside 4th XI in our club's history. Winning the most games, scoring the most runs, highest finishing position, and having the most half centuries throughout the team for any 4th XI side this club has produced.

Our lineup was very similar to the previous season, with some handy inclusions through Mark and Jack from the threes, the return of Ollie from a torn ACL, and new Stingrays Stolly and Zoid.

Early in the season the team was off to an amazing start, winning 5 out of our first 7 matches (already equally the 4th XI wins record for a season). Unfortunately, we fell away drastically losing 11 in a row before winning our final game of the season, to only miss finals by one win.

Strong performances from Stolly and Chinga saw them each rewarded with threes promotions throughout the season, and this was well reflected on presentation night with Stolly tying for 4th XI BNF and Chinga claiming the Coaches award. Ben McLeod also earned his spot as the substitute fielder for the 1st XI in finals and deservedly won the club's fielding award.

Our round 21 game that saw the team snap an 11-game losing streak was our best and most challenging game of the season. From losing Ollie to a knee injury in the second over of the day, to Piet vomiting on the sidelines throughout the entire first innings, and the team being restricted to 9 fielders for a solid 10+ overs, the boys were able to rally a magnificent victory against the third placed Carnegie. Every single player that day pulled their weight with the bat or ball, and it was a great team effort all-round to win in a thrilling run chase.

The team is looking forward to breaking the finals drought in 2025/26.

5th XI Report

After six seasons with only four senior teams, 2024/25 saw the club re-introduce the Sunday 5th XI side, and what a successful return it was.

Throughout pre-season and the first few rounds there was lingering doubt as to whether this team would continue playing. But the commitment from the coaches, the players, and committee ensured we were able to continue playing every match.

The side only lost 3 matches from 18 home and away rounds, showcasing the development of our younger 2nd XI players, as well as 3rd and 4th XI regulars who frequently came together to ensure a Sunday team got on the park each week.

We can't thank the regular players enough for ensuring they were available each Sunday. Methvan, Bhaskar, Daniel, Jonny, Jonny, Bruckers, Chinga, and Simon each played 10+ games and contributed to our successful run throughout the season.

In pre-season we doubt anyone would've predicted it, but the Sunday XI managed to qualify for finals in third position. Unfortunately, the weather prevented us from playing our semi final, but it goes to show that the commitment of the Bayside community allows for any team to have a successful season.

We hope to continue with our Sunday side next season and look forward to winning that elusive final!

Junior Report

For the 24/25 cricket season Bayside CC fielded 3 junior teams; ISEC U15A (14 players), SECA U12C (11 players) and SECA U12 Rookies (9 players). We also ran a successful Blast program too.

Our ISEC U15A Dowland Shield team was coached and managed once again by Scott Bernes. The team had a mixed start to the season but finished strongly, only just missing out on finals. The team played their home games on Oval 1 but had to move to Oval 2 and Dane Road for occasional home matches due to the heavy use of Oval 1 wicket. Owen Bernes was the winner of the batting award 149 average 18.63 runs. Tom Oldham won the Bowling award with 7 wickets @12.29. The Coaches award was awarded to Harvey Gostlow.

The Rookies team members from 23/24 moved up to U12C South but did have some friends join who had no previous experience with cricket. Lachie O'Hara continued to coach the team with Simon Brown as Team Manager. The children found the split innings 2-day games challenging but they all improved over the course of the season. The Bowling Award went to Harry Salter 11 wickets @4.5. Harry was closely overtaken for the batting award by Miles Hunter 94 runs at 31.3 average. William Osborne was selected to receive the coaches award.

Our Rookies team was coached by James Vakis and was made up mostly from children that had participated in the Blast program the year before with 2 new cricketers. The competition was tough, but it didn't seem to affect the enthusiasm. Thank you to Ben Carroll for managing the team and to Nerida Mellerick for offering to enter scores.

This season we opted to put a "mini Bash" team forward for the 12 over/team Mini Bash with plastic bats and soft balls (Blast equipment). We joined the Parkdale Hub. Tim Griffin, a previous President of Highett CC, coached and managed the team. There were plenty of wins over the season and the team has great potential for next season when they will move up to Rookies.

Junior Report Continued

We ran our Blast program over 10 weeks on Saturday mornings 9-10am. The program sessions were run by 1st and 2nd XI players. We had 18 Blast participants. Our intake was lower than the prior year as our efforts to run various pre-season programs at Moorabbin Primary School failed to eventuate. We only had one morning of PE classes run by a representative from Cricket Victoria with the help of James Vakis and Bridget Roser. We ran one junior “come and try” session on a Saturday in early September prior to the season.

We held a Junior Social Function on the last Friday of January 5.30-8.30 at Turner Road. The children had a knockabout before pizza and drinks. There was the option of a movie upstairs but with the fabulous weather most opted for more cricket outside.

We held our junior presentation after the final Blast session at the start of March. A sausage sizzle was provided. Blast participants received their medals & certificates. The Rookies and U!2 awards were presented by the coaches. Richie Hunter, our former club president, presented the Mick Kell Award to Harry Salter.

Thank you to all the coaches and team managers for their time and effort helping with our club junior program and to the Bayside Committee for their support for the season.
